

Dear Sir or Madam,

The North Oaks Level II Trauma Center is planning its first Regional Trauma Symposium on November 3, 2017, at the Southeastern Louisiana University Student Ballroom from 8 a.m. to 4:30 p.m. This event is in partnership with the North Oaks Foundation and Southeastern Louisiana University's School of Nursing.

National, local and regional leaders in trauma care will speak to an anticipated 200 attendees. The attendees will be from multidisciplinary areas including, but not limited to: pre-hospital providers, physicians, registered nurses, social workers and leaders in trauma care throughout our state. Our goal is to provide national trauma education for our local trauma providers.

You are invited to participate as a vendor in this event. Attendees will have approximately two hours of dedicated time with vendors and are encouraged to visit throughout the day. The fee for participation is \$750. If you would like to reserve a vendor table, please complete the form below and return the form to grubbk@northoaks.org or call (985) 230-2479 for more information. Checks can be made payable to The North Oaks Foundation.

Your participation in this symposium would be greatly appreciated. Thank you for your kind consideration.

Sincerely,
Tyler Brignac
Trauma Program Manager
North Oaks Medical Center

Yes, I would like to participate in the North Oaks Level II Trauma Center's Regional Trauma Symposium.

No, unfortunately we are unable to participate in this year's trauma symposium. Please contact me about participating next year.
