

employee of the month

Information Technology Clinical Analyst **Cindy** has been honored with the North Oaks Health System Employee of the Month Award for February 2009.

Cindy joined the North Oaks team in 1993 as a Laboratory Medical Technologist and accepted her current position in 2007.

"Cindy is very dependable and a team player. She takes pride and ownership in her work, frequently going above what's expected," shares Assistant Vice President/Information Technology Bach Nguyen. "Her dedication and commitment make her a true asset to North Oaks."

In 1984, Cindy earned her bachelor's degree in Medical Technology from Southeastern Louisiana University. She also is a Registered Medical Technologist and belongs to the American Society for Clinical Pathology.

Cindy and her husband Brian live in Ponchatoula. They are the parents of Jennifer, a freshman nursing major at Southeastern, and Jacob, a sophomore at Ponchatoula High School. She also is a member of St. Joseph Catholic Church. In her spare time, Cindy enjoys camping, boating and shopping.

"Although I do not have direct contact with patients, the technical assistance I offer our clinical staff helps them provide excellent care."
