

MARCH 2009

# employee of the month

Case Management Social Worker **Mary** has been honored with the North Oaks Health System Employee of the Month Award for March 2009.

Mary joined the North Oaks team in 1990 as a social worker after earning her bachelor's degree in Social Work from Southeastern Louisiana University.

"Mary cares for all her patients as if they were her own family," comments Case Management Director Sherri Hayes, RN. "She is efficient in meeting the needs of her patients while they are in the hospital and after discharge. She has a personal touch that has grown from years of experience as a social worker."

A Jackson, La. native, Mary and her husband Kyle now live in Loranger. In her spare time, she likes to support her two children, 16-year-old Logan and 12-year-old Caroline, in their various activities and interests. She also is a member of the Leadership Committee at Loranger Baptist Church and works with the Youth Group.

**"I feel we have a responsibility to be sensitive to the individual circumstances of the patient and to be supportive of the needs he or she identifies."**

**-Mary**
