

# employee of the month

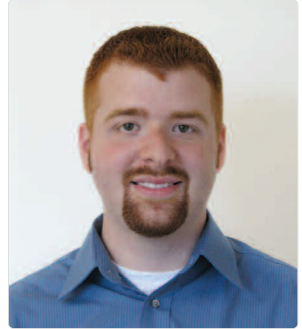

Information Technology Programmer Analyst

**Kevin** has been honored with the North Oaks Health System Employee of the Month Award for May 2009.

In 2008, Kevin joined the North Oaks team in his current position after earning his bachelor's degree in computer science from Southeastern Louisiana University.

"Kevin is a hard-working, dedicated and customer-focused professional who utilizes his talents to deliver advanced programming solutions," shares IT Applications Coordinator Doug Bankston. "Kevin is very patient and always willing to help others, and he has quickly become an asset to North Oaks."

Kevin and his wife Erin live in Ponchatoula. In addition to playing piano and guitar, he enjoys fishing, developing 3-D games and spending time with his niece Alyssa. He also is a member of First Baptist Church of Ponchatoula.

**"Creating custom programming solutions to fit the specific needs of my fellow employees and our patients is very rewarding."**

**-Kevin**
