

JUNE 2009

employee of the month

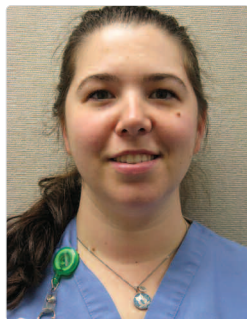

Surgical Services Information Specialist

Bejae has been honored with the North Oaks Health System Employee of the Month Award for June 2009.

In 2005, Bejae joined the North Oaks team as Surgical Services Secretary and accepted her current position in 2007.

"Bejae is very energetic and enthusiastic; achieving her goals in the same way. She is knowledgeable in all areas of the surgical information system and is a valuable resource for all staff," offers Surgery Unit Director Terri Lowry-Lewis. "She is a great asset and Surgical Services is fortunate to have her as part of the team."

Bejae is a Slidell native and now lives in Lacombe. In her spare time, she likes literature and music, and especially enjoys spending time with her two children, 8-year-old Charley and 5-year-old Joshua.

"My goal is to help direct patient caregivers with their health information management needs. This allows them more time with their patients."
