

# employee of the month

Physical Therapist Assistant **Daniel** has been honored with the North Oaks Health System Employee of the Month Award for March 2008.

Daniel earned a bachelor's degree in psychology with a minor in biology from William Carey University in Hattiesburg in 2005 and an associate's degree in applied sciences from Delgado Community College in 2006. He joined the North Oaks Rehabilitation Services team in February 2007.

"Danny always displays a positive attitude and strives to constantly learn as much as possible in every situation. He serves as a positive role model to all hospital employees by working hard no matter the task. I am proud to have Danny as a member of the Rehabilitation Services Department," states North Oaks Assistant Vice President of Rehabilitation Services Lisa Smith, PT, ScD.

Daniel is a native of New Orleans and currently resides in Covington. He enjoys coaching and playing soccer, fishing and spending time with family and friends.

**"Seeing patients  
achieve their  
goals brings me a  
great sense of  
accomplishment.  
I enjoy being a part  
of the recovery  
process."**
