since

Since its beginning in 1988, the Love Light Tree has become a holiday tradition, a tradition that continues to unite the community in spirit by honoring and remembering those we love.

lights

Lights shine through this Christmas season on the Love Light Tree at North Oaks Medical Center to honor and remember those we love. Each light also represents a donation that will be used by the North Oaks Medical Center Guild for special projects throughout the year, including maintaining the Hospice Patient Crisis Fund and Social Services Crisis Fund.

A minimum gift of \$3.00 per person or couple is suggested; larger gifts are welcome, however.

Mail donations to:
