

nurse excellence

Telemetry Unit Staff Nurse **Elissa** has been honored with the North Oaks Nurse Excellence Award for March 2009.

A graduate of Southeastern Louisiana University, Elissa began her career at North Oaks as a Nurse Tech on the Telemetry Unit in 2004 and was promoted to her current position in 2005.

"Elissa is a nurse who possesses and demonstrates strong knowledge, care and compassion at the bedside," comments Telemetry Unit Coordinator Stefanie Gras, RN. "She is a patient advocate who maintains the highest standards."

Elissa is a Maurepas native, where she currently resides with her husband Rocky. In her spare time, you can find her shopping, exercising or reading. She also is a member of Maurepas Baptist Church.

"I try my best to treat every patient the way I would want to be treated. I enjoy meeting patients' needs as part of a health care team committed to providing quality care."
