Heart Health Center Cath Lab Staff RN
Debra has been honored with the North Oaks Nurse Excellence Award for May 2009.

Debra began her nursing career at North Oaks in 1986 on the Telemetry Unit and accepted her current position in the Heart Health Center Cath Lab in 2002.

“Debra works diligently to achieve the highest standard of care for our patients. She is committed to the delivery of safe, compassionate and patient-centered treatment,” comments Heart Health Center Director Tammy Murphy. **“She is a model for the nursing profession, and her assessment and patient advocacy skills are excellent. She touches the lives of many every day. We are proud to have Debra on our team.”**

A Springfield native, Debra is a Southeastern Louisiana University graduate. She currently lives in Albany and is a member of Eagle Heights Church in Hammond. In her spare time, she likes traveling, attending Christian music concerts, swimming, exercising and boating. She also enjoys spending time with her fiancé Anthony, sons Christopher and Jacob, and 18-month-old granddaughter Madyson.

“I truly enjoy forming a close, one-on-one relationship with each of my patients to promote empowerment, compassion and spiritual support.”
