Important Questions	Answers	Why This Matters:
<b>What is the overall <u>deductible</u>?</b>	Tier 1: <b>\$2,000</b> Single/ <b>\$6,000</b> Family; Tier 2: <b>\$3,000</b> Single/ <b>\$9,000</b> Family; Tier 3: <b>\$4,000</b> Single/ <b>\$12,000</b> Family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your <u>deductible</u>?</b>	Yes. <u>Preventive care</u> is covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits">https://www.healthcare.gov/coverage/preventive-care-benefits</a> .
<b>Are there other <u>deductibles</u> for specific services?</b>	No.	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	Tier 1: <b>\$6,350</b> Single/ <b>\$12,700</b> Family; Tier 2: <b>\$7,150</b> Single/ <b>\$14,300</b> Family; Tier 3: <b>Unlimited</b> Single/ <b>Unlimited</b> Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	<u>Premiums</u> , <u>Balance-billing</u> charges, Health care this <u>plan</u> doesn't cover, Penalties, Tier 3 <u>copays</u> , <u>Non-network</u> Transplant, <u>Non-Network</u> Prescription Drugs, <u>Non-Network</u> specialty Drugs.& amounts over allowed amount	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. See <a href="http://www.humana.com/directories">www.humana.com/directories</a> or call 1-866-4ASSIST (427-7478) for a list of Humana <u>network</u> providers. For North Oaks In –Network <u>providers</u> , Call North Oaks at 1-985-230-6532.	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.

Do you need a referral to see a specialist?

No. You don't need a referral to see a specialist.

You can see the specialist you choose without permission from this plan and the plan will pay according plan schedule of benefits.

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
